

3 SKILLS

11 Is there too much football on TV?

a) **READING** Lily says ...

I think there's too much football on TV!

Do Lily's friends agree or disagree with her? Read what they say. Write agree or disagree.

I agree with Lily.
There are lots of other exciting sports too.

I disagree with Lily.
I think football is very popular.

I disagree with Lily.
Families can watch football together on TV – that's nice.

I agree with Lily.
People sit and watch TV. They should do a sport!

I disagree with Lily.
Football on TV is good, because tickets for matches are expensive.

I disagree with Lily.
Football is brilliant, and the matches are really exciting!

I agree with Lily.
The players are sometimes a bit violent and the fans often fight.

I agree with Lily.
Footballers aren't always good role models.

b) LISTENING Listen to four people talking and circle the right words.

- 12 Amy ____ Do you think there's too much football on TV?
 Joe ____ No, I don't. It's true – there is a lot of football on TV, but not too much.
Everybody / nobody likes football.
 Ali ____ That's rubbish! Lots of people think football is amazing / boring.
 What do you think, Amy?
 Amy ____ Well, in my opinion, football matches are a waste of time / money.
 Kayla ____ I agree. There are lots of other exciting sports. For example, I'd like to watch more skiing / boxing on TV.
 Ali ____ You're joking! That's too violent / boring.
 Kayla ____ That's rubbish! And I think that some football players are violent – they aren't good role models / sportsmen.
 Ali ____ Maybe you're right.
 Joe ____ I disagree. I think footballers work hard / a lot. They do lots of training. And secondly, I think football is great because everyone can play. Kids / boys watch it on TV, then they go out and play football in the street. It makes them healthy / fit.
